

LEVEL 1

STORY #1 Papa, I'm Still Not Sleepy! 爸爸，我還不想睡！

There's an overarching **Essential Question** that each of our books asks learners to think about.

The Pre-Reading, During-Reading, and Post-Reading questions help to provide scaffolding towards the **Essential Question**.

Pre-Reading Questions are questions that activate students' prior knowledge and get them to start making connections between the text and their own experiences.

During-Reading Questions are designed for kids to be active readers, making predictions and developing their own views. Please select only the useful questions, and focus on the flow and expression of the reading and the learner's enjoyment of the read-aloud rather than the questions. Use these questions only if it enhances the children's enjoyment of the book. Sometimes, too many pauses during read-alouds might be disruptive.

Post-Reading Questions are designed with the following sequence to scaffold thinking: Text-Based Questions, Text-to-Self Questions (connecting with students' own experience), and Text-to-World Questions (prompting students to draw connections with the world).
